STUDENT ADJUDICATION MODEL FOR SEX OFFENSES AND SEXUAL HARASSMENT

I. PREFACE

The University of California, Irvine is committed to creating and maintaining a community where all individuals who participate in University programs and activities can work and learn together in an atmosphere free of sexual violence and sexual harassment. Consistent with its legal obligations under Title IX of the Education Amendments of 1972, the Violence Against Women Reauthorization Act of 2013, and California Education Code section 67386, the University responds promptly and effectively to reports of sexual violence and sexual harassment, and takes appropriate action to prevent, to correct, and when necessary, to discipline behavior that violates the University's policy on Sexual Violence and Sexual Harassment. <http://www.oeod.uci.edu/policy.html>

The University's student conduct procedures emphasize education, personal growth, accountability, and ethical behavior—upholding standards of responsible conduct to protect the welfare of the University community. When formal fact-finding procedures are used, the procedures are designed to provide a prompt, fair, and impartial resolution of the matter.

The following describes the University's procedures for resolving complaints of sexual violence and sexual harassment where the parties are students, including the discipline of students found in violation of University policy.

II. RESOURCES RELATING TO SEXUAL VIOLENCE AND SEXUAL HARASSMENT

The University has a Title IX Office, which is located in the Office of Equal Opportunity and Diversity (OEOD), for receiving and responding to reports of sexual violence and sexual harassment. Confidential resources also are available both before and after a person communicates with the Title IX Office about potential violations of the [UCI Guidelines for Reporting and Responding to Reports of Sex Offenses](#) and the [UC Sexual Violence and Sexual Harassment](#) policy. Confidential resources include CARE advocates, Ombuds, and licensed

counselors at the counseling center. These resources can provide confidential advice and counseling without that information being disclosed to the Title IX Office or law enforcement without the student's consent, unless there is a threat of serious harm to the individual or others or a legal obligation that requires disclosure (such as suspected abuse of a minor).

III. REPORT OF SEXUAL VIOLENCE AND SEXUAL HARASSMENT

- A. For purposes of this model, the University will consider any alleged victim of sexual violence or sexual harassment a "complainant," whether or not they make a report or participate in the investigation and resolution process. The accused will be referred to as the "respondent."
- B. The University will strive to honor the stated wishes of the complainant concerning whether to move forward with an investigation. There may be circumstances, however, in which the University may need to move forward against the complainant's wishes, or in which the University may determine that an investigation will not occur despite the complainant's wish to pursue an investigation. Should a complainant request that their name not be used or that there be no investigation, the University will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students, including the student who reported.
- C. Throughout the resolution process, the University will offer and provide support services for complainants through the CARE office, and for respondents through the Respondent Services Coordinator. Services for complainants are available whether or not the complainant chooses to participate in a university investigation and whether or not the complainant files a complaint with law enforcement.
- D. The University will also consider and take interim measures as appropriate to ensure the safety, wellbeing, and equal access to University programs and activities of its students. Interim measures include, but are not limited to, the following: no contact & stay away orders; housing assistance; academic support and accommodations; visa and immigration assistance; student financial aid; and counseling. By jurisdiction of the Dean

of Students (or designee) the University may place the respondent on an Interim Suspension as appropriate and consistent with the *Policies Applying to Campus Activities, Organizations and Students (PACAOS)*—105.08.

At all stages of the process, the complainant and respondent have the right to an advisor and a support person of their choosing.

1. An advisor can be an attorney, parent, friend, etc. During student conduct related meetings, an advisor may act as a consultant for the student, however, an advisor may not speak on behalf of the student. If a student chooses to have an attorney as the advisor, the student shall pay all fees, costs, and expenses for the retention of an attorney. If the student chooses to be accompanied by an advisor or attorney during an administrative meeting, the student must sign a Family Educational Rights and Privacy Act of 1974 (FERPA) waiver, to grant access to the information. If an attorney or advisor is to be present at the appeal hearing, the Office of the Dean of Students must be notified of this fact at least **ten (10) days prior to the hearing**. In the interest of expediency, as a general practice, hearings shall not be delayed due to the unavailability of an advisor/attorney.
 2. A support person provides emotional support but does not take an active role in the process
- E. Neither the complainant nor the respondent is required to participate in the resolution process. The University will not draw any adverse inferences from a complainant or respondent's decision not to participate or to remain silent during the process. An investigator, decision-maker, or appeal body will reach findings and conclusions based on the information available. An investigator, decision-maker, or appeal body may draw adverse inferences when a student selectively participates in the process, such as choosing to answer some but not all questions posed.

- F. The campus Case Management Team (CMT) will track all stages of the resolution process—from receipt of the report through the investigation and, if applicable, the University student discipline process.
- G. All University officials involved in the resolution process will be trained to carry out their roles in an impartial manner in keeping with trauma-informed practices.
- H. The standard of proof at all stages of the process is preponderance of the evidence.
- I. The University will complete the process, including all appeals, within 120 business days from the date of Title IX's receipt of a report. This deadline and all deadlines contained herein may be extended for good cause shown and documented. The complainant and respondent will be notified in writing of any extension.

IV. INVESTIGATION OF ALLEGATION OF SEXUAL VIOLENCE AND SEXUAL HARASSMENT

- A. Upon receipt of a report of or information about alleged sexual violence and/or sexual harassment, the Title IX Officer will determine, consistent with the UCI Guidelines for Reporting and Responding to Reports of Sex Offenses and UC's Policy on Sexual Violence and Sexual Harassment, whether an investigation should be initiated.
- B. If an investigation will not be conducted, the Title IX Officer will notify the complainant in writing and explain the rationale for the determination.
- C. If an investigation will be conducted, the Title IX Officer and the Office of Student Conduct will jointly send written notice of the charges to the complainant and respondent. The written notice will include:
 - 1. A summary of the allegations and potential policy violations;
 - 2. The purpose of the investigation;
 - 3. A statement that the investigative report, when issued, will make factual findings and a recommendation regarding whether there has been a violation of University policy;

University of California, Irvine

4. A statement that the findings and recommendation will be based on a preponderance of the evidence standard;
 5. A summary of the process, including the expected timeline; and
 6. A summary of the rights of the complainant and respondent.
- D. The Title IX Officer will oversee the investigation and will designate an investigator to conduct a fair, thorough, and impartial investigation.
- E. During the investigation, the complainant and respondent will be provided an equal opportunity to meet with the investigator, submit information, and identify witnesses who may have relevant information.
- F. The investigator will meet separately with the complainant, respondent, and third party witnesses who may have relevant information, and will gather other available and relevant evidence and information. The investigator may follow up with the complainant or the respondent as needed to clarify any inconsistencies or new information gathered during the course of the investigation.
- G. The investigator may determine the relevance of any witness or other evidence to the findings and may exclude certain types of evidence or information that is irrelevant or immaterial.
- H. When a law enforcement agency is conducting its own investigation, the investigator should coordinate his or her fact-finding efforts with the law enforcement investigation. At the request of law enforcement, the investigation may be delayed as needed to meet any specific needs of the criminal investigation. Such a delay may be cause for extending the timelines to complete the process and delay will be communicated and documented.
- I. The investigator will prepare a written report that includes a statement of the allegations and issues, the positions of the parties, a summary of the evidence, findings

of fact, and a recommendation regarding whether there are any policy violations. If the complainant or respondent offered witnesses or other evidence that was not considered by the investigator, the investigation report will include an explanation why it was not considered.

- J. The investigation file must be retained and made available to the parties on request, and may be redacted as necessary to protect student privacy rights.

V. DECISION ON RESPONSIBILITY AND DISCIPLINARY SANCTIONS

- A. Upon completion of the Title IX Investigation, the Title IX Officer and the Office of Student Conduct will jointly send to the complainant and the respondent: a) written notice of the investigation findings and the investigator's recommended determinations, and b) a copy of the investigation report. The investigation report may be redacted if necessary to protect student privacy rights.

6. A statement that the complainant and/or respondent may schedule a meeting with the Office of Student Conduct and/or submit a statement in writing to be heard on the question of the findings of any policy violations and the discipline prior to the decision and the imposition of sanctions.
- C. If the Office of Student Conduct determines that disciplinary sanctions are appropriate, the sanctions will be determined in accordance with the sanctioning guidelines that are included as an Appendix to these procedures.
1. Disciplinary sanctions for sexual assault, domestic/dating violence, or stalking in which one or more of the following factors are present will result in a minimum sanction of Suspension for at least two years, up to dismissal:
 - i. force, violence, menace, or duress;
 - ii. deliberately causing a person to become incapacitated or deliberately taking advantage of a person's incapacitation; or

- A. The complainant and respondent may contest the decision and/or the sanctions by submitting an appeal. The appeal should identify the reason(s) why the party is challenging the outcome under one or more of the following grounds:
 - 1. There was procedural error in the process that materially affected the outcome, such as the investigation was not fair, thorough or impartial;
